Best of South Jersey Basket Auction

This year Volunteer Center of South Jersey is excited to celebrate the 20th Anniversary of Taste of Community, our biggest fundraising event of the year. The event will feature 20+ local eateries that is sure to satisfy the palate of over 400 guests, with their most savory offerings. The success of this event means that more volunteers will connect with quality opportunities and continue to make an impact on our community.

We hope that you will consider helping VCSJ with a tax-deductible donation to our Best of South Jersey Basket Auction, where we can include a basket from your business/town. This Ticket in a Bag Auction will featuring items and baskets valued between \$100 and \$250. For a second year, VCSJ offers all of the great towns in South Jersey an opportunity to be represented in our "Best of South Jersey" Basket Auction. In 2017, the auction showcased the seven county region that we serve, with baskets, gift cards and other items.

By participating, you will promote your business/town and will let the public know that you support community volunteers who selflessly offer their time and talent to help others. It is the continued support of businesses and other organizations, that the Volunteer Center is able to fulfill its mission to promote volunteering by connecting people with these opportunities to serve, provide nonprofit agencies with resources and training and building partnerships to meet local needs.

As a thank you, your organization/town will be recognized in our program book, on auction signs and the VCSJ social media pages. Additionally, if you (or a group) would like to attend the event, use promotion code TOC2018 for a \$5 savings on each ticket that can be purchased at <https://toc2018.eventbrite.com>. It's guaranteed to be a tasty night!
