VOLUNTEER CENTER *of South Jersey*

About Project Appreciation:

On September 11, 2018, and the days leading up to it, the nation will mark the anniversary of the 2001 terrorist attacks that rocked our country. As we reflect on that moment in our history, we will honor the victims, first responders, and citizens who stood up to serve our nation through military service with tributes, memorial services, and volunteer service.

The Volunteer Center of South Jersey is proud to coordinate Project Appreciation, a service initiative where volunteers will collect donations to fill “thank you” bags to recognize local Emergency First Responders, joining hundreds of thousands of citizens across the country in this American tradition.

In short, it is an attempt to thank every First Responder across the seven counties in South Jersey. The Volunteer Center will coordinate this effort to be sure a thank you bag is delivered to hundreds of men and women of Police, Fire and Emergency Medical Service personnel in Atlantic, Burlington, Camden, Cape May, Cumberland, Gloucester and Salem Counties.
