Spirit of Community, the largest volunteer recognition event in New Jersey, exemplifies what we do at VCSJ every day: thanking individuals, groups, family and corporate volunteers and the non-profit organizations they serve. It is an extraordinary night for South Jersey's own

"Points of Light" to shine and be recognized for their year-long efforts.

This special event will be held at Auletto Caterers in Almonesson, NJ on October 25, 2018. We encourage your company to not only attend the celebration, but to also consider nominating an individual or group within your own organization. Several award categories are available, including the H.E.R.O.E.S. award - "Honoring Excellence, Rewarding Outstanding Employee Service."

Companies striving to do good for the world and their local communities, investors, customers and employees are seeing the return on their investment. It's no longer solely about the amount of dollars a company donates to worthy causes — emphasis is being placed on creating a real connection with the community. Businesses are investing more in corporate volunteering programs and are benefiting not only from happier employees who are making a difference, but also from the grassroots community outreach these programs provide.

As you may know, consumers often make emotional buying decisions based on how they feel about a company. If you're looking to embrace a corporate volunteer program, we have a variety of ways you can contribute. It's good for the community and your employees, as well as your bottom line.

We believe there is a sponsorship level that can fit your organization's philanthropic goals, marketing objectives and budget. If you have questions, our office can be reached at 856-415-9084 or by email at mepifani@sjvolunteers.org. Thank you for your consideration of a sponsorship at this important South Jersey event.

About the Spirit of Community

Government officials, media, nonprofit organizations, corporations and service-minded leaders come together for one night to honor the contributions made daily by our friends, neighbors, and family members. This event, now in its 6th year, offers our community the unique opportunity to recognize and appreciate local heroes who work tirelessly to make South Jersey a vibrant place to live.

About the Volunteer Center

VCSJ promotes volunteerism in the region and connects individuals and businesses with opportunities to serve. In 2015, we enhanced operations by implementing technologies to increase our overall impact to increase community resources and services. The result, volunteers and non-profits are now connected in "real-time". More notably, VCSJ formed a partnership with a west coast software developer, where we provide our expertise in volunteerism through technical writing and software testing for the volunteer match and management web applications. This allows us, nationally and locally, to play an integral role in improving technology for volunteers, nonprofits and corporate business partners, in their efforts, to make a difference.

Why Sponsor?

As an event sponsor, your contribution will place you among corporate leaders committed to supporting Volunteerism in communities across South Jersey. Sponsorship dollars accomplishes two things:

- Helps VCSJ bring this premier event to Nonprofit Agencies, Business Organizations, who want to honor their volunteers in this special way.
- Provides continued support to the programs of the Volunteer Center all year round! These include youth leadership, family volunteering, collaborative community engagement and much more.

INCREASE BRAND AWARENESS: Our marketing efforts will highlight you and your business with a captive audience. You will receive logo placement in a variety of places such as flyers, social media outreach, brochures, websites, email marketing campaigns, signage, etc. that will increase awareness with your potential customers in South Jersey!

GAIN MEDIA EXPOSURE: Our sponsors receive recognition in all communications with the local and regional press. Our highest sponsors are offered the opportunity for a special mention in press features.

SECURE NEW BUSINESS: The event is the perfect opportunity to generate new leads and form new business partnerships. Besides being a place where you can meet and greet top leaders in South Jersey, all sponsors are offered the opportunity to display literature at our event!

SAVE MONEY: Since the Volunteer Center is a 501(c)3 organization, your sponsorship is tax deductible to the fullest extent of the law (tax deduction).
