

VOLUNTEER CENTER *of South Jersey*

LEADERS IN VOLUNTEERING

At our core, the Volunteer Center, supported by Jersey Cares, works to change lives, empower families and improve our community through volunteerism and supporting local nonprofit organizations. We promote volunteerism in the region and connect individuals and businesses with opportunities to serve.

We offer volunteer focused initiatives and programs, including managing efficient, impactful projects that address critical community-identified needs, effective volunteer engagement training, a corporate volunteer service program, youth and family focused projects, along with collection drives throughout the year, that supports our nonprofit partner network across the State.

These quarterly events are free to both nonprofits, who want to showcase their organization, and for individuals, who are looking to volunteer.
